John Wintbrop Chandler, Augustus Schell, John Kelly, its present leader, and others, succeeded in driving the corrupt leaders out of the organization, they found an Augean stable which indeed required heroulean strength and executive ability to cleanse and put in order. These self-sacrificing workers by the Democratic party succeeded in the work of restoring matters, order was revived, and a system of fair primaries instituted in every Assembly district. A new general committee was plected and again Tammany Hall became a respectable, law-abiding Democratic organization, self-respecting and respecting the teration and discussion that public atacres of public lands were given to rail-roads and other corporations. The tariff agitation by us resulted in drawing attenvotes, which number were cast for that honest old Democrat, Augustus Schell, he was defeated by Edward Cooper, under a combination made by Democrats opposed to Tammany Hall with the Republican safeguards.
